IBB and it's Local 169 (APCom Power, Inc - 1/9/2015)

The Region submitted this case for advice as to whether the Union unlawfully maintains hiring hall rules that provide for suspensions from referral when employees are terminated for just cause.

The Office concluded that the hiring hall referral rules at issue are not unlawful, and that another rule requiring the payment of a \$50 appearance bond before hiring hall dispute hearings also does not violate Section 8(b)(1)(A).
